### **Support Homes with Hope Clients with a Drive or Collection**

Thank you for your interest in starting a collection for canned good / non-perishable food items to benefit those in need in our community. Here is a list of the items that we can always use at the Food Pantry (**please do not collect items in glass containers**):

- Canned tuna or chicken
- Cereal / oatmeal
- Canned vegetables
- Canned fruit
- Peanut butter & jelly
- Coffee (no decaf) / tea
- Powdered dry milk
- Pasta Sauce
- Pasta / Rice
- Hearty Soup
- Mac and cheese

Additionally, please consider donating gift cards for our clients as SNAP benefits (food stamps) are strictly for the purchase of food items. Our clients need support to access basic supplies such as: hygiene items, household and cleaning supplies, diapers, vitamins, medicine, and prepared foods.

- Stop & Shop

- CVS

- Payless ShoeSource
- Visa / Mastercard / AMEX

If you have any questions or have an idea for another type of drive or collection, please contact us at 203.226.3426.
