For your safety, meal drop-off is contactless. Please wear a mask when entering the courtyard and leave your prepared lunch or dinner on the designated table.

LUNCH: Delivery time is now 10:30am – 11:00am. Please provide **20 individual bag lunches** to include a sandwich, chips or snack, fruit or cookie. **No nuts or shellfish, please.**

DINNER: Delivery time is now 3:00pm - 3:30pm. Please provide a main dish, side dish (potatoes, pasta, rice), vegetable and dessert for **20 people**. **No nuts or shellfish, please.** **If it is possible to package dinners individually, please do, otherwise the staff will portion the dinner food once it is delivered.

All of us at Homes with Hope appreciate this essential service that you are providing.
